

## PATENT

RECEIVED  
CENTRAL FAX CENTER  
SEP 18 2006REMARKS

Claims 1-18 are pending in the application.

In the aforementioned Office Action, the Examiner rejected claims 1-18 under the judicially created doctrine of obviousness-type double patenting over claims 7-13 of U.S. Patent No. 6,603,751.

Accompanying with this amendment, a terminal disclaimer is filed pursuant to 37.C.F.R. § 1.321(c). Accordingly, the Examiner's double-patenting rejection is thereby obviated. Withdrawal of the rejection is respectfully requested.

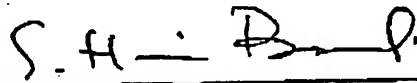

In light of the above amendment and remarks, and with the aforementioned terminal disclaimer filed, all claims in the application, are submitted to be patentable over the prior art. Applicants believe the application is in condition for allowance. Reconsideration and an early allowance are respectfully requested.

In the event of any fees that may be due or any overpayments that may be associated with this response, please charge or deposit the amount to Deposit Account No. 17-0026.

Respectfully submitted,

Dated: September 18, 2006
